

PROCEDURE FOR ENROLLING A NEW REPRESENTATIVE

There are two methods for enrolling a new representative into Escape International.

1. Submitting an "Independent Representative Agreement" form.
2. Signing up on-line through our Corporate Site or an Independent Rep Site.

INDEPENDENT REPRESENTATIVE AGREEMENT FORM

DOD 100 is available to download from our corporate site "Documents on Demand" or a copy can be faxed or e-mailed to you from our corporate office.

Form is to be filled out completely and delivered or faxed to our corporate office.

Agreements received at the corporate office by 3:00 PM E.S.T. (during business days), will be entered the same day.

You will be notified by the corporate office and provided with your Rep ID number.

This form must be used for new reps who are placed under another rep other than his/her sponsor.

ENROLLING ON-LINE (PREFERRED)

The corporate site has "Join Now" commands or links that will allow enrolling and will guide you through the process. The sign up procedure is also available in the corporate site "Back Office" section.

A "Rep ID" number will be assigned and displayed to you during the process.

IMPORTANT ITEMS TO REMEMBER

A new representative placed frontline to his/her (unless sponsor placement was used at the time of sign-up.) However, a rep can be moved **one** time to a position under another rep within the same genealogy. Certain conditions will apply:

1. The rep must only be moved under a rep with an earlier start date.
2. A rep must be moved within 60 days of starting.
3. Once moved, a rep cannot be re-placed under the original sponsor.
